Subject: HREC Variation Approval - ASPRO Brendon Patrick Hyndman Reference: H26114

Dear Aspro Hyndman,

Project title: Play Latitude Schools: A Feasibility and Refinement Pilot of a Whole-School Quality Play Toolkit

Protocol number: H26114 (Please refer to this number in all contact or correspondence relating to this application)

Approved until: 24/06/2027

Thank you for submitting your request to vary the research proposal detailed above to the Charles Sturt University Human Research Ethics Committee. Your request was considered on .

Based on the guidelines in the National Statement on Ethical Conduct in Human Research the Committee has **approved** your request.

As previously notified, you must report to the Committee at least annually, and as soon as possible in relation to the following:

- anything that might impact on the ethical acceptability of the project (including, but not limited to, adverse events, unexpected outcomes or additional information coming to light);
- amendments to the research design and/or any changes to the project (Committee approval required);
- extensions to the approval period (Committee approval required); and
- notification of project completion.

This approval constitutes ethical approval in relation to humans only. If your research involves the use of radiation, biochemical materials, chemicals or animals, separate approval is required by the appropriate University Committee.

Please contact the Human Research Ethics Partner on (02) 6933 4213 or ethics@csu.edu.au if you have any queries. Further information regarding human research ethics at CSU can be found at the HREC webpages <https://research.csu.edu.au/ethics-and-compliance/human>

The Committee wishes you well with your research.

Sincerely,

Presiding Officer,
Charles Sturt University Human Research Ethics Committee
